TARGA BY SHEAFFER™ LAQUÉ COLLECTION KEY FEATURES

- Classically refined, Targa fountain pens, roller balls, ballpoints, and pencils are well-crafted by Sheaffer for years of trouble-free writing.
- In addition to the rich laqué and moiré finishes, Targa writing instruments offer four exciting color choices in the Swirl pattern as part of Sheaffer's Color Palette™ Program.
- The 14k gold inlaid nib of the Targa fountain pen enhances its beauty and performance.
- The Targa roller ball and ballpoint provide even ink flow. The roller ball has the fluid feel of a fountain pen with the convenience of a ballpoint. The ballpoint's silken twist-action mechanism retracts and extends the writing tip easily.
- The Targa pencil with a 0.5mm lead is a precision writing instrument made with a lead protecting sleeve and cushioned point for uninterrupted writing pleasure.
- For personal use or gift-giving, Targa ballpoints and pencils may be purchased as sets or separately.
- Accents in 23k gold electroplate give the Targa Laqué writing instruments visual sparkle and added value.
- Like all Sheaffer writing instruments, Targa Laqué fountain pens, roller balls, ballpoints, and pencils are refillable for continued writing enjoyment.

▲ Each writing instrument is presented in Sheaffer's rich red jeweller's box along with a Use and Care Guide and the Sheaffer Lifetime Warranty.

▲ The 14k gold inlaid nib is designed for superior flexibility and responsiveness.
